POSITIVE GEAR

IT'S NOT WHAT WE DO.
IT'S WHO WE ARE.

HOW WE DO...

Positive Gear is the product of life experiences, mistakes, successes, and labour. Having worked with youth in school leadership teams, and with at-risk youth in the outside community, we have found that there are techniques to live life in the Positive Gear. Through positive choice making, modelling, and sharing experiences through fun and games, the Positive S-Team show how situations can be broken down into making

WHERE WE DO...

“You can’t know where you are going until you know where you have been.” While based in Toronto, the Positive S-Team has travelled across North America spreading it’s message to youth, business leaders, educators, and fellow motivators. As gears, we’ve worked with:

- School Boards (TCDSB, YDSB, TDSB, etc)
- Police Departments (MPPD, OPP, etc)
- Universities (York, U of T, UWO, etc)
- Corporate (McDonalds, Me to We, etc)
- Cultural and Religious groups
- **You?**

WHAT WE DO...

We offer a wide range of experiences. These include (but are not exclusive to) keynote presentations, workshops, fundraising through sale of clothing, life coaching, seminars, spiritual conversations, retreats, and conferences. Whether your team needs encouragement reaching their full potential through team building and leadership activities, or you have a cause that needs funding, get in touch with us today and see how Positive Gear

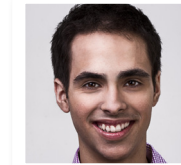

WHY WE DO...

We’re not just fun and games! With their talks, the Positive S-Team seek to inspire, motivate, and excite others about life. Since no one has all the answers, we believe that our work is a process of learning and sharing. It evolves with the experiences that we share with others as we continue to learn from one another.

WHO WE ARE

JAMES “MILLHOUSE” COSTA

James is an advocate of youth creating positive change and breaking barriers. At a young age, he was faced with choices that were later turned

into motivations for shaping his decisions. As a younger S-Team member, James was given the name Millhouse as a result of a practical joke that just wouldn’t go away. Ironically, it accurately depicts his fun-loving and positive attitude, and his ability to overcome.
